

My name is _____, I am a member of the MSCA's Championship Adjudication Committee. Your opposition has raised concerns about speed of play (e.g., length of time out, number of time outs, going past centre ice during delivery of a shot, strategy discussion during crossover in the extra end)

As a member of the MSCA's Provincial Adjudication Committee, I have been tasked with monitoring the concerns. I will start to monitor the speed of play of both teams.

Speed of play violations may result in a team losing their opportunity to call time outs
