Laser Rock Measure (LRM):

TIE-BREAKER Process for pool based events (excluding point based events (e.g., Warren Open))

SCORING (Using Laser Rock Measure or equivalent, with practice shots prior to game)

- 1st Tie breaker for final pool standings will be teams' head-to-head game results
- The 2nd Tie breaker will be the Tie Breaker draw to the button. Prior to their 1st game, both team members will throw two practice rocks from their usual end, a third rock will then be thrown and scored as follows:
 - **Rock in the house covering the pin hole: 0.000 meters**
 - **Rock in the house and not measurable: 0.150 meters**
 - **Rock in the house and measurable: 0.150 meters to 1.979 meters**
 - **Rock not in the house: 2.004 meters (73" + 0.15 meters)**
- The sum of the team's draw to the button (3rd rock) will be used as the 2nd Tie breaker
- Sweeping allowed from the hog line in, no sweeping of opposition rocks
- If teams remain tied after 2nd Tie breaker, the 1st thrower's score attained will be used as 3rd Tie breaker
- If teams remain tied after the 3rd Tie breaker, the 2nd thrower's score attained will be used as 4th Tie breaker
